- More Hearings Requested

Issues

- Developmental Disability employee?
- Providing Care (Prohibited Sexual Relations)?

Please give description of job duties/employment and how it relates to providing specialized services for individuals.

Issues

- Neglect - mostly left alone; supervision requirements – why 24/7 connect it to risk of harm to individual
- Physical Abuse – mostly slapping face; sometimes pictures do not clearly document what is seen by witnesses – photos are not taken; level of force questions

Issues

- Misappropriation – documentation to show that it is not mismanagement; clear documentation of whose money/property went where and how it got there; Audit documents with scribbling – handwritten notations; unclear idea of who performed audit and what things audit based upon.
