

### **Instructions for completing forms**

Please complete these three forms.

- The one-page Symptom Checklist Adult Observer Form is for rating the behavior of a person as an adult.
- Then complete the Conners Adult ADHD Observer test
- Lastly, complete the Interview for Adult ADHD which is six pages long. This is about your observations of the client when as he or she grew up.

Please do not show the person the materials after you fill them out, and return them in the addressed envelope. If you have any questions please contact Dr. Marc Silling at 330-972-7074 or email him at [smarc@uakron.edu](mailto:smarc@uakron.edu).
